

Earn money with www.redshift-live.com:

The Redshift partner program

This is how it works:

As a partner of redshift-live.com, you can link from your website directly in our shop. For every sale, you get a 10% discount.

Conditions

In order to be eligible to participate in our partner program you have to show that your website:

- Does not infringe copyright.
- Does not violate rights of third parties.
- Does not contain any sexual or violent content and does not discriminate race, sex, religion, nationality, disabilities, sexual orientation and age.
- Does not contain or support any illegal activities.

The partner also has to be at least 18 years of age and have full contractual capability.

We maintain the right to end the partnership at any time if we feel that any of the above mentioned points are violated or the website is not suited to participate in the partner program in any other way.

If you are interested in the partner program please contact us via presse@usm.de.
